INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the cited documents are made of record on the enclosed PTO Form-1449.

As the USPTO has waived the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and patent publication for applications filed after June 30, 2003, copies of the cited U.S. references are not enclosed, as the present application is filed after June 30, 2003. Copies of the cited foreign patent documents and/or non-patent literature are enclosed.

A concise explanation of the relevance of these items is that these references were cited by the Korean Patent Office in the corresponding Korean Patent No.2002-4452, issued January 16, 2002. A copy of the Korean Official Action in which they were cited is attached hereto, with what is believed to be the pertinent portion enclosed in a wavy line.

An English translation of the enclosed portion is also attached hereto.

Respectfully submitted,

YOUNG & THOMPSON

A handwritten signature in black ink, consisting of a series of connected loops and peaks, positioned above a horizontal line.
